DE LA SALLE UNIVERSITY MEDICAL CENTER

*Nurturing your health*

The DLSUMC Advanced Wound Care Center uses advanced techniques, equipment and a holistic approach in treating acute and chronic wounds:

- Arterial and venous leg ulcers
- Bed sores
- Orthopedic, diabetic, and general surgery wounds
- Ostomy care
- Other difficult traumatic wounds

The Center is dedicated to provide complex care for the treatment and prevention of infection and other wound complications. Treatment services in our center are covered by PhilHealth—meaning, there will be no cash outs from patients, making wound care more affordable.
